

Career Expo 2010

Thursday, April 15th 11:00am - 6:00pm

Sheridan College Golden Dome, Sheridan, WY

Participant Information

This expo is specially designed to expose students and job seekers to a broad spectrum of career paths, as well as provide them with opportunities to secure internships and employment information. Participants will learn more about their field of interest and new trends of the industry. The Career Expo will showcase the 16 Career Clusters and the many careers and job opportunities that each cluster has to offer. The Career Clusters will help participants enhance the link between the knowledge they acquire in school and the skills they need to pursue their dreams. Representatives from Sheridan College, University of Wyoming, Chadron State College and area businesses will be on hand to share information about the education and training needed to excel in each of the career clusters and answer questions regarding enrollment in specific programs of study.

All interested students and community members should **come professionally dressed** and be ready to complete a registration form which will be their entry into the event and qualify them for raffle prizes.

This is an event that you should not let pass by, since it is a great opportunity to find both educational and employment information under one roof. Employer and agency representatives will be on hand at each career cluster table explaining the education and training needed for entry level and career positions in related occupations.

The Career Expo will be held in the Golden Dome and is open to Junior and Senior high school students, Sheridan College students and alumni, and the general public.

Employer Information

On behalf of Sheridan College, the Sheridan County Chamber of Commerce, and the Wyoming Department of Workforce Services we would like to extend a special invitation to your organization to attend our 3rd Annual Career Expo on Thursday, April 15th, 2010. Employers are encouraged to attend the Career Expo to become acquainted with the local area workforce including community job seekers, Sheridan College students and alumni and high school students from northern Wyoming and southeastern Montana. At this event you will have the opportunity to meet with the broadest possible mix of potential employees, show-case your business/organization and discuss the career aspects of your industry or business.

The Career Expo will feature the 16 Career Clusters in the State of Wyoming and the many occupations and job opportunities that each cluster has to offer. The Career Clusters will help participants enhance the link between education, employment and career opportunities. ***Employers and industry representatives*** can partner with schools to contribute to the development of high academic standards that help students prepare for work and help workers keep their skills up-to-date. Employers gain workers prepared to learn new skills, adjust to technological change, and advance in their careers.

Representatives from Sheridan College, University of Wyoming, and Chadron State College will be on hand to share information about the education and training needed to excel in each of the career clusters and answer question regarding enrollment in specific programs of study.
